

CONSOLIDATING AND CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

#### REPORT OF INDEPENDENT AUDITOR

The Board of Directors Grace to You Valencia, California

#### **Opinion**

We have audited the accompanying consolidating and consolidated financial statements of Grace to You and John MacArthur Charitable Trust (collectively, "the Organizations"), which consist of the consolidating and consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidating and consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the consolidating and consolidated financial statements.

In our opinion, the consolidating and consolidated financial statements referred to above present fairly, in all material respects, the individual and consolidated financial position of Grace to You and John MacArthur Charitable Trust as of June 30, 2022 and 2021, and the individual and consolidated changes in their net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidating and Consolidated Financial Statements section of our report. We are required to be independent of the Organizations and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Consolidating and Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidating and consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidating and consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidating and consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organizations' ability to continue as a going concern within one year after the date that the consolidating and consolidated financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Consolidating and Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidating and consolidated financial statements are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidating and consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

• Exercise professional judgment and maintain professional skepticism throughout the audit.

BATTS MORRISON WALES & LEE, P.A. • CERTIFIED PUBLIC ACCOUNTANTS

- Identify and assess the risk of material misstatement of the consolidating and consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidating and consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organizations' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of consolidating and consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organizations' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO CONSOLIDATING AND CONSOLIDATED FINANCIAL STATEMENTS

#### **NOTE A - NATURE OF ACTIVITIES**

Grace to You ("the Ministry") is a not-for-profit California corporation, with headquarters in Valencia, California. The Ministry is dedicated to teaching Biblical truth with clarity. The Ministry uses media to expose John MacArthur's teaching to as wide an audience as possible "for the equipping of the saints for the work of service, to the building up of the body of Christ; until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ" (Ephesians 4:12-13, New American Standard Bible).

The Ministry provides Biblically-based materials to protect believers from being "tossed here and there by waves, and carried about by every wind of doctrine, by the trickery of men, by craftiness in deceitful scheming" (Ephesians 4:14). The Ministry accepts the God-given responsibility of "speaking the truth in love" (Ephesians 4:15) and striving for the growth of the church and glory of the Lord, rather than the praise and honor of men. The Ministry supports the local church's ministry by providing additional resources for those hungering for the truth of God's Word. The Ministry believes that media ministries can never substitute for involvement in a Biblical church, group Bible study, or interaction with a teacher. Yet there is the need for more in-depth resources, evidenced by the many Christians and Christian leaders worldwide who depend on this ministry to supplement their own study.

The Ministry distributes John MacArthur's works through radio programs for broadcast, telecasts, web-based media, and other media. The Ministry also conducts conferences; sells books, audio, and video media; and publishes books and other media that advance the Ministry's exempt religious and educational purposes. The Ministry produces and airs the following radio programs:

- "Grace to You," a daily half-hour radio program featuring sermons preached by John MacArthur;
- "Grace to You Weekend," a weekly radio program;
- "Portraits of Grace," a daily one-minute program offering devotional content; and
- "Bible Q&A with John MacArthur," a daily two-minute feature in which John MacArthur answers Bible questions.

These radio programs reach major metropolitan areas of the United States, as well as Australia and Canada, parts of Asia and Europe, and South Africa. Spanish versions of the broadcasts are also aired in various countries.

John MacArthur Charitable Trust ("JMCT") is a California not-for-profit corporation organized to support various ministries led by John MacArthur. The Ministry elects a majority of the Board of Directors of JMCT. In conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), the consolidated financial statements of the Ministry include the accounts of JMCT. During the year ended June 30, 2021, JMCT changed its name from The Master's Grace Fund.

References to "the Organizations" in these footnotes include both the Ministry and JMCT.

All significant interorganization transactions have been eliminated in consolidation.

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Revenue recognition**

The Organizations recognize cash contributions as revenue when contributions are received by the Organizations. Contributions received are recorded as without or with donor restrictions depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to

#### **Revenue recognition (Continued)**

net assets without donor restrictions and reported in the consolidating and consolidated statements of activities as "net assets released from restrictions."

#### Ministry media sales revenue

Ministry media sales are reported at the amount that reflects the consideration to which the Ministry expects to be entitled for sales of ministry media products. Such amounts are generally due from consumers of ministry media. Ministry media sales revenue is recognized upon the sale of products.

Performance obligations are determined based on the nature of the goods provided by the Ministry. The Ministry measures the performance obligation for ministry media sales revenue at the point of sale of the products. The Ministry measures the transaction price of such revenues based on published rates for the goods, net of certain discounts.

#### Cash and cash equivalents

The Organizations consider investment instruments purchased or donated with original maturities of three months or less to be cash equivalents.

#### **Investments**

Investments are stated at estimated fair value. JMCT's investments consist primarily of common stock holdings which are carried at estimated fair value. For fair value measurement purposes, such amounts are valued using "Level 1" inputs (i.e., carrying values are based on unadjusted quoted market prices in active markets for identical items).

### **Inventories**

Inventories consist primarily of audio and video media and books. Inventories are stated at the lower of cost or market using the first-in, first-out inventory cost-flow assumption.

### **Property and equipment**

Property and equipment are stated at cost, if purchased, or estimated fair value on the date of donation, if donated. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets.

#### **Income taxes**

The Organizations are exempt from federal income tax as organizations described in Section 501(c)(3) of the Internal Revenue Code and from state income tax pursuant to state law. The Organizations are further classified as public charities and not private foundations for federal tax purposes. Neither entity has incurred unrelated business income taxes. As a result, no income tax provision or liability has been provided for in the accompanying consolidating and consolidated financial statements.

#### Net assets

Net assets without donor restrictions are available for use at the discretion of the Boards of Directors and/or management for general operating purposes. From time to time, the Boards may designate a portion of these net assets for specific purposes which make them unavailable for use at management's discretion. Board designated net assets consist of amounts designated by the Ministry's Board of Directors for Russian translation work and by JMCT's Board of Directors for scholarships and grants. Net assets with donor restrictions consist of amounts with uses limited by donor-imposed time and/or purpose restrictions, primarily for various translation efforts and scholarships.

### **Functional allocation of expenses**

The consolidating and consolidated statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area are reported as expenses of those functional areas. Indirect costs that benefit multiple functional areas are allocated among the various functional areas based primarily on employee time and space utilization.

#### Use of estimates

Management uses estimates and assumptions in preparing consolidating and consolidated financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Actual results could differ from the estimates.

#### **Donated services**

No amounts have been reflected in the accompanying consolidating and consolidated financial statements for donated services. The Organizations generally pay for services requiring specific expertise, and other donated services ordinarily do not meet the recognition criteria under U.S. GAAP. However, many individuals volunteer their time and perform a variety of tasks that assist the Organizations with specific activities.

#### **Subsequent events**

The Organizations have evaluated for possible financial reporting and disclosure subsequent events through the date of the independent auditor's report, the date as of which the consolidating and consolidated financial statements were available to be issued.

### NOTE C - LIQUIDITY AND AVAILABILITY OF RESOURCES (Continued)

Financial assets available for general expenditure within one year of the date of the June 30, 2021 consolidating and consolidated statement of financial position are as follows:

		Ministry		JMCT	Elimin	ations		Total
Financial assets available: Cash and cash equivalents Investments Accounts receivable	\$	11,296,658 19,750,563	\$	3,982,032 —	\$	_	\$	15,278,690 19,750,563

Net financial assets available within one year	<u>\$</u>	30,506,412	<u>\$</u>	3,880,032	\$		<u>\$</u>	34,386,444

The Organizations are primarily supported by contributions. As part of the Organizations' liquidity management, they structure their financial assets to be available as their general expenditures, liabilities, and other obligations come due. As of June 30, 2022 and 2021, the Ministry's Board of Directors has designated certain amounts to support Russian translation work and JMCT's Board of Directors has designated certain amounts for scholarships and grants. Because of these designations, these amounts are not available for general expenditure within the next year; however, either Board of Directors could make the funds available, if necessary. The Organizations also have certain board-designated and donor-restricted net assets that are available for general expenditure within one year, because the designations and restrictions on the net assets are expected to be met by conducting the normal activities of the Organizations in the coming year. Management believes the Organizations have sufficient financial assets available for general operations that may be drawn upon in the event of unanticipated financial distress or immediate liquidity need.

#### **NOTE D - CONCENTRATIONS**

The Organizations maintain their cash and cash equivalents in deposit or investment accounts which may not be federally insured, may exceed federally insured limits, or may be insured by an entity other than an agency of the federal government. The Organizations have not experienced any losses in such accounts, and believe they are not exposed to any significant credit risk related to cash and cash equivalents.

As of June 30, 2022 and 2021, all of the Ministry's investments were held by one custodian.

During the years ended June 30, 2022 and 2021, approximately 85% and 79% of JMCT's total contributions, respectively, came from a small group of donors. Such amounts are included in "contributions" in the accompanying consolidating and consolidated statements of activities. JMCT hopes and expects to gratefully continue its relationships with these donors.

#### **NOTE E - FAIR VALUE MEASUREMENTS**

U.S. GAAP defines fair value for an investment generally as the price an organization would receive upon selling the investment in an orderly transaction to an independent buyer in the principal or most advantageous market for the investment. The information available to measure fair value varies depending on the nature of each investment and its market or markets. Accordingly, U.S. GAAP recognizes a hierarchy of "inputs" an organization may use in determining or estimating fair value. The inputs are categorized into "levels" that relate to the extent to which an input is objectively observable and the extent to which markets exist for identical or comparable investments. In determining or estimating fair value, an organization is required to maximize the use of observable market data (to the extent available) and minimize the use of unobservable inputs. The hierarchy assigns the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of each of the three levels of input within the fair value hierarchy:

Level 1 – unadjusted quoted market prices in active markets for identical items

Level 2 – other significant observable inputs (such as quoted prices for similar items)

Level 3 – significant unobservable inputs

The Ministry's nontraditional investments consist of interests in various funds invested in private equity, infrastructure, and other private asset investments. The real estate investment trust holdings consist of investments in companies that operate income-producing real estate assets. The estimated fair value of investments valued using "Level 3" inputs are based on amounts provided by the investees. These investments can generally be liquidated at an amount approximating carrying value in the near-term with proper notice.

Estimated fair value of the Ministry's assets measured on a recurring basis as of June 30, 2022 are as follows:

### **NOTE F - UNCONDITIONAL PROMISE TO GIVE**

During the year ended June 30, 2022, a certain JMCT board member made an unconditional promise to give JMCT certain real property. As of the date of the gift, the real property has an estimated fair value of approximately \$2,250,000, as determined by an independent appraisal. The unconditional promise to give was designated by JMCT's Board of Directors to be distributed to an entity for which the Chairman of JMCT serves as the president. The transaction is recognized in the accompanying consolidating and consolidated statement of financial position as of June 30, 2022 as an "unconditional promise to give" and as "contributions" revenue without donor restrictions in the accompanying consolidating and consolidated statement of activities for the year ended June 30, 2022. Subsequent to the year ended June 30, 2022, JMCT received and granted the real property as previously described herein.

#### **NOTE J - RETIREMENT PLAN**

The Ministry maintains a 403(b) retirement plan ("the Plan") for the benefit of its employees. Eligible employees may make elective deferral contributions to the Plan. Employer contributions to the Plan are discretionary. Effective for the year ended June 30, 2022, JMCT is a participating employer in the Plan. The Ministry contributed approximately \$385,000 and \$350,000 to the Plan during the years ended June 30, 2022 and 2021, respectively. JMCT contributed approximately \$7,000 to the Plan during the year ended June 30, 2022.

#### **NOTE K - JOINT COST ALLOCATION**

During the years ended June 30, 2022 and 2021, the Ministry incurred joint costs in the approximate amounts of \$7,817,000 and \$7,533,000, respectively, for Bible teaching activities that included fundraising appeals in connection with the Ministry's exempt purposes. Of those costs, approximately \$7,122,000 and \$6,900,000 were allocated to "program activities" expense, \$333,000 and \$304,000 were allocated to "general and administrative" expense, and \$362,000 and \$329,000, respectively, were allocated to "fundraising" expense in the accompanying consolidating and consolidated statements of activities.

NOTES TO CONSOLIDATING AND CONSOLIDATED FINANCIAL STATEMENTS

#### **NOTE L - RELATED PARTY TRANSACTIONS**

The intellectual property used and sold by the Ministry is licensed to the Ministry by its chairman for such use pursuant to agreements, the terms of which do not require the Ministry to pay royalties or other licensing fees to its chairman.

During the years ended June 30, 2022 and 2021, the Ministry paid approximately \$806,000 and \$789,000, respectively, for video production and artwork services to entities controlled by certain of the chairman's family members.

#### **NOTE M - TRANSACTIONS WITH COOPERATING MINISTRIES**

The Organizations cooperate with other entities for which the chairman of the Organizations serves as president or a director. During the years ended June 30, 2022 and 2021, the Ministry made grants to such entities of \$1,055,000 and \$42,000, respectively. JMCT made grants to such entities during the years ended June 30, 2022 and 2021 of approximately \$20,604,000 and \$13,048,000, respectively.
